

2020 Peter Sagan
Limited Edition Collection

Peter Sagan Limited Edition

Introducing the new Peter Sagan LE White/Gold Collection. Arriving at the world's biggest cycling stage - the 2020 Tour de France. The shimmering style of this year's Limited-Edition Peter Sagan "White/Gold" Collection from 100% features an asymmetrical design enhanced with a golden suit of shine. Our Soft Gold Mirror Lens blends seamlessly with the custom frame for the most premium of finishes. The 2020 collection is available in limited quantities of the S3®, S2®, and Speedcraft® eyewear models.

The Speedcraft®

The Speedcraft is loaded with our most advanced technology for the ultimate sports performance. Our signature 100% lens with its cylindrical shield offers 360° visibility and increased protection. Ultra-grip rubber nose pads and temple tips offer a secure fit and provide all-day comfort while lower air scoops increase ventilation and reduce moisture on the lens.

The S3[®]

The S3 combines standout features from two renowned performance favorites, borrowing the understated brow from the S2 and the definitive intake vents from our iconic Speedcraft. Ultra-grip rubber nose pads and temple tips offer a secure fit and provide all-day comfort while lower air scoops increase ventilation and reduce moisture on the lens.

The S2®

Inspired by Speedcraft's legendary success on cycling's biggest stages, S2 is 100% speed that has been newly refined for everyday sports performance. Our innovative technologies and signature lens have been tuned for riding at any level. S2's laser-etched edging provides the look of a full frame in a rimless cylindrical shield.
