

Přehled elektrokol na našem trhu

Označení kol podle kategorií: HARD – horské kolo s přední pevnou nebo odpruženou vidlicí; FULL – horské kolo celoodpružené; GRAVEL – hybrid mezi silničním a cyklokrosovým kolem; SILNICE – silniční kolo; SKLADACI – skládací kolo; CEST – cestovní kolo, městské, trekking, crosové; DETS – dětská kola; TRIKOLKA – tříkolka; FATBIKE – horské kolo s extrémně širokými pláštěmi; CARGO – "nákladní" kolo s velkým přepravním prostorem; LEHO – lehokolo

U každé značky je uveden v hlavičce [www](#) odkaz na výrobce nebo dovozce příslušné značky. Zde naleznete všechny potřebné údaje k vybraným kolům, vč. seznamu maloobchodních prodejců, fotografie kol apod. K většině značek si můžete vybrat i doplňky, jako například oblečení, díly a příslušenství. Můžete se například seznámit se závodními týmy značek nebo s historií. Mnoho firem také pravidelně zveřejňuje novinky ze své produkce.

Přehled zpracoval časopis
